

I'm writing to protest the idea of the LPFM. I am a faithful listener of K-LOVE radio. It would be a great disservice to my family if you changed their frequency.

We live in an area where we would be affected by the change. K-LOVE ministers to my family and friends and we would be sad to lose our worship time that we get from this radio station. Please DO NOT CHANGE TO INCLUDE THE K-LOVE FREQUENCIES TO THE LPFM FORMAT!!!!!!! Without K-LOVE we would be forced to listen to less suitable music that wouldn't teach faith based principles to my children or be encouraging to my husband and I. Thanks for your time.
